Skills

- Experienced: HTML5 | CSS3 | JavaScript | ReactJS | C++ | OOPS | Excel
- Intermediate: SQL | Node JS | Express JS | MongoDB | Backend Developer
- Familiar: Computer Networks | Operating System | English, Hindi - *professional proficiency*
- Personal Skills: Problem Solving Skills | Critical Thinking | Leadership | Team Leader | Negotiation Skills | Selling Skills | Creative Ideas

Hackathons

Participant	**Standard Chartered Hackathon**		**04/2023 - 04/2023**

- **Mequick application :** Basically we put an idea that how we give the service to the customer 24x7 so they easily repair their vehicle easily.
- Provide better experience to the users.
- No other competitor in the market.

Participant	**Hack-overflow(2.0) Hackathon**	*Chandigarh University*	**05/2022 - 05/2022**

- **Dogile Bobo:** | Python | Blender | prototype | Designed and implemented the prototype of a unique and interactive shell that bridges the gap between user and Kernel.
- Loophole: The CPU usage that should dwell between 1% to 10% was at a hike.

Projects

- **MEAL MOSIC:** The goal of this project is to design a visually appealing and user-friendly frontend for a restaurant website. The website will serve as an online presence for the restaurant **(11/2022)**
- **RESQU:** a 2D- 3 Level game with animation (C, **no fancy Libraries**). Link to https://youtu.be/J6ePxbXbK_k Gameplay **(05/2020)**
- **DELIVERY APPLICATION:** Designed and developed a web application that help you to order a food using Express JS, Nodejs , EJS , MongoDB. Link to https://senior-production.up.railway.app/ **(06/2023)**

Coursework

- **Undergraduate:** Programming | Data Structure and Algorithms | Design and Analysis of Algorithm | Operating System | Database Management System | Computer Network | Machine Learning | Compiler Design

Achievements

- Ranked **155** in CodeChef starter 74 Division 4, **342** in starter 83 Division 4, **231** in October Long 2022 Division 3 and **21** instarter 61 Division 3 globally..
- Completed Certification on "Design And Analysis of Algorithm" and "Computer Network" by NPTEL , "Introduction to HTML,CSS, JavaScript ".
- Offer in Hand from LogixGrid Technologies (Role-: Project Manager)
